

How aged care helps with my clinical and personal care

I also need some help with showering and remembering to take medication.

My name is Eric and I hurt my leg...

This medication will help.

This will help you to remember.

ANTIBIOTICS

ERIC

Eric has asked for help with showering and remembering to take his medication.

HAVE YOU HAD YOUR FLU SHOT?

FLU

REFERRAL

My support worker reminds me to take my medications.

ROSTER - JAMIE
9:15 ERIC - Personal Care
Medication Prompting
Shower Assist
(monitor & Assist as required)

10 ERIC - Appointment
Clinic (wound)

He also helps me with showering.

And takes me to medical appointments.

ROSTER - JAMIE
9:15 ERIC - Personal Care
Medication Prompting
Shower Assist
(monitor & Assist as required)

10:00 ERIC - Appointment
wound (dressing)

A nurse from the service also comes regularly to change my dressings and check on my health.

I feel better because my personal and clinical care needs are being met just the way I asked.
